Miami to Copper Harbor
planning frame

Paper is for decisions, notes, and offline reference. Re-check weather, construction, closures, hours, bridge operations, lodging, parking, fuel, and seasonal access close to travel.

Tamiami Trail and Big Cypress

Enter with this decision: Leave Miami with a deliberate Tamiami Trail plan rather than treating the crossing as a generic urban departure.

Drive rhythm

Dense urban start, long wetland crossing, sparse stop pattern, then Gulf Coast re-entry.

Logical stop sequence

- 1 Miami on
- 2 Big Cypress National Preserve on
- 3 Ochopee
- 4 Naples on

Exit decision: Choose whether Naples is an overnight anchor, a Gulf Coast destination, or the start of a longer same-day northbound leg.

Reset, distinguish, verify
